Dear Dr. Tommy Ho:

RE: Congratulation on HKIOE's 10th Anniversary

It is my great pleasure to congratulate you all with this great anniversary of the Hong Kong Institute of Environmentalists (HKIOE) on her 10th Anniversary.

As an institute dedicating to the environmental engineering and management in Hong Kong, I am honored to witness many of my students are currently being student member of HKIOE and I wish that later they could become full members of HKIOE. I can foresee that my students could benefit from the leading specialists in HKIOE and their reliable and high-level service quality.

I thank HKIOE for her long-term contributions and continuing development in the many environmental aspects in Hong Kong. I firmly believe that HKIOE, as a role model in environmental aspects, will further bring more successful developments and prosperity to Hong Kong in the coming future.

Yours Sincerely,
