The Hong Kong Institute of Environmentalists
Flat A3, 9/F, Forda Industrial Building,
Tai Lee Street, Yuen Long, N.T.,
Hong Kong
Attn: Dr. Tommy Ho, Founder and Founding President

Dear Dr. Ho,

It is my great pleasure to express my most profound appreciation and respectful congratulation to The Hong Kong Institute of Environmentalists (HKIOE) on her 10th Anniversary.

As the Principal of The ELCHK Yuen Long Lutheran Secondary School, I am so proud of you, our brilliant alumnus, for devoting yourself in protecting our environment and being a symbolic role model, who is dreaming for a better future, and working hard in beautifying the cities. It is crystal clear that over these 10 years, HKIOD has solidly fostered numerous leading specialists in the region with high-level quality under your outstanding leadership.

Lastly, I would like to take this opportunity to express my sincere gratitude to HKIOE for her long-term contributions in many environmental aspects in Hong Kong. I firmly believe that HKIOE, as a role model in environmental protection, will continue to foster the development of environmental issues and bring prosperity to our world in the future.

May God bless you all!

Yours sincerely,

Wan Ho Yin, Hairo
Principal
The ELCHK Yuen Long Lutheran Secondary School
