

Hong Kong Institute of Environmentalists Cambodia Chapter 2021

President Message Mr. M N Leung

Dear Colleagues,

Congratulation to HKIOE **11th** establishment. I am honored to lead our HKIOE Cambodia Chapter this year. With approximately 4,000 members across HK, Mainland China and Asia countries, we are a strong and vital organization focused on being your go-to professional resource. Over 100 volunteer leaders, a strong group of sponsors, and our great member make this all worthwhile and possible.

We providing our members and stakeholders with opportunities on a broad array of substantive topics, eg, sustainability development, reduce waste water control, young environmentalist, etc. These programs and site visit are shaped by our volunteer leaders specifically for you as in-house attorneys. I have always been impressed with the quality and diversity of our programming. And now with our increased focus on interactivity, we provide you with more opportunities to learn by doing -- and from each other.

Although the coronavirus deeply affecting our normal work and live, but HKIOE founder Dr. Tommy Ho always keep organize and promote environmental education on-line activities and full mask measure to the front-line communities and young people.

All of the chapter's work is focused on enriching your experience as members, so we are always open to feedback on our current services and how we can better serve you. Feel free to reach out to me, any of our chapter leaders, or our great staff if you have ideas or would like to get involved. Thank you very much.
